Privacy Policy

Scope

This privacy policy explains to users the nature, scope and purpose of collection and use of personal data by the responsible vendor X-info Wieland Sacher GmbH, Moosacher Str. 42, 80809 Munich (Tel.: +49 89 18 91 788 0; Email: info@xinfo.de) in this app (called "offer" in the following text).

The legal basis of data privacy can be found in the Federal Data Protection Act (Bundesdatenschutzgesetz: BDSG) and the Telemedia Act (Telemediengesetz: TMG).

Location Data

We need Information about the location of your device. If a request is made, we determine your current location via GPS to give you quick information about your immediate environment. Your location data will be used exclusively to ensure the functionality of the offer. The data will remain on your device and will not be processed or evaluated otherwise.

User-related Data

For the functionality, the offer communicate with compatible devices, such as (but not exclusively) lamps, household goods, scales, thermostats and other smart home equipment. For this purpose, data are exchanged relating to the current status or the controlling. These data will be used exclusively to ensure the functionality of the offer, such as (but not exclusively) the display of the current measured values and the control of the devices.

Purpose of Data Collection

Your data will be used exclusively to ensure the functionality of the offer. The data will remain on your device and can not be read or evaluated by us.
The offer does not transmit data to third parties. Exceptions are data that are synchronized by the services of Apple. This is especially the case if you have enabled the synchronization with the cloud offered by Apple ("iCloud"). For more information, please refer to the conditions and privacy policies of Apple.
